to help people think for themselves.

Time to Think: Listening to Ignite the Human Mind by Nancy ...

Time to Think is a book that changes behaviour. It has a simple, but powerful message, which is that the quality of our thinking depends upon the quality of another person's attention when listening to us. Why is this important? Because thinking precedes action, so clearer thinking leads to improved action.

Review: Time to Think: Listening to Ignite the Human Mind ...

Most people think they listen well, but they rarely do - not at this level. Listening this way is a radical act. The power of effective listening is recognised as the essential tool of good management. In this book, Nancy Kline describes how we can achieve this, and presents a step-by-step

guide that can be used in any situation.

Time to Think by Nancy Kline | Waterstones

When you are carrying out improvement work, listening is vital. It is one of the most effective ways to understand stakeholder perspectives and is a real skill. Sometimes you are listening to hear what isn't said, as much as what is. The keys to successful listening are being able to withhold your own assumptions
