Timebends by Arthur Miller is a long-winded autobiography that incoherently jumps back and forth. I struggled to get to the good stuff about his landmark plays Death of a Salesman, The Crucible, All my Sons, etc. The overwriting poetic language becomes tiresome after a hundred pages. I skipped over long passages that held little interest to me.

Timebends: A Life, by Arthur Miller. This is truly bizarre. Today happens to be Arthur Miller's birthday. His is the next book on the shelf. So happy birthday, Arthur Miller. When Timebends came out, in 1987, I remember there being mixed reviews. I think mainly folks were expecting salacious revelations about Marilyn Monroe ¶ and the book decidedly does not deliver on that score.

This is the long-awaited biography of one of the twentieth century's greatest playwrights, Arthur Miller, whose postwar decade of work earned him international critical and popular acclaim. Christopher Bigsby's gripping, meticulously researched biography examines his refusal to name names before the notorious House on Un-American Activities Committee, offers new insights into Miller's marriage to Marilyn Monroe, and sheds new light on how their relationship informed Miller's subsequent great plays.

Mukwa opens with Peter Godwin, six years old, describing the murder of his neighbor by African guerrillas, in 1964, pre-war Rhodesia. Godwin's parents are liberal whites, his mother a government-employed doctor, his father an engineer. Through his innocent, young eyes, the story of the beginning of the end of white rule in Africa unfolds. The memoir follows Godwin's personal journey from the eve of war in Rhodesia to his experience fighting in the civil war that he detests to his adventures as a journalist in the new state of Zimbabwe, covering the bloody return to Black rule. With each transition Godwin's voice develops, from that of a boy to a young man to an adult returning to his homeland. This tale of the savage struggle between blacks and whites as the British Colonial period comes to an end is set against the vividly painted background of the mysterious world of South Africa.

In his long career, Arthur Miller has charted some of the most hidden aspects of the American character, and made us recognize ourselves. With Homely Girl, A Life, he turns his attention to a smaller, more intimate, canvas, but one that in its deceptive delicacy still encompasses a vast range of human fears, ambitions, and desires. Janice, the eponymous homely girl/has hated her face ever since she was a child and her mother held up Ivory Snow advertisements to her, saying, "Now that is beauty." Homely she is, but also fiercely herself. Still, it is not until she falls in love with a blind musician that she feels her full nature unfold in this exquisite portrait of a woman finding a language to describe herself. Flanked by two stories also set in Manhattan, "Fame" and "Fitter's Night," Homely Girl, A Life pays homage to a city constantly reinventing itself/and to the classic Miller themes of work, honor, and identity. "Chekhovian . . . deserves praising to the top of the highest skyscraper for its humanity, wit, depth" ¶A.N. Wilson
