Hidden in the mountains of East Tennessee, an eleven-year old goes about the business of being a boy during the summer of 1970. Within a balance of terror and innocence, he bears silent witness to ghosts of the dead and the cruelties of a teenage killer while local justice plays out in a community carved from legacies of coal mining and religion.

Provides definitions and study tips for over sixteen hundred frequently used SAT words and includes strategies for memorizing the words and answering questions on the test.

History that doesn't suck: Smart, crude, and hilariously relevant to modern life. Those who don't know history are doomed to repeat it. Too bad it's usually boring as sh\*t. Enter The Captain, the ultimate storyteller who brings history to life (and to your life) in this hilarious, intelligent, brutally honest, and crude compendium to events that happened before any of us were born. The entries in this compulsively readable book bridge past and present with topics like getting ghosted, handling haters, and why dog owners rule (sorry, cat people). Along the way you'll get a glimpse of Edith Wharton's sex life, dating rituals in Ancient Greece, catfishing in 500 BC, medieval flirting techniques, and squad goals from Catherine the Great. You'll learn why losing yourself in a relationship will make you crazy—like Joanna of Castile, who went from accomplished badass to Joanna the Mad after obsessing over a guy known as Philip the Handsome. You'll discover how Resting Bitch Face has been embraced throughout history (so wear it proudly). And you'll see why it's never a good idea to f\*ck with powerful women—from pirate queens to diehard suffragettes to Cleo-f\*cking-patra. People in the past were just like us—so learn from life's losers and emulate the badasses. The Captain shows you how.

Have you ever dreamed of having your own red carpet moment? Or wondered how to emulate the effortlessly chic style of the most photographed trendsetters? Or wished you could master the art of all things glamorous? In Style A to Zoe, Hollywood's hottest celebrity stylist, Rachel Zoe, shares her insider tips in this essential guide to the art of a fashionable, behind-the-velvet-rope lifestyle. With an eye toward living the luxe life, even if it's on a dime, Zoe zeroes in on the must-have accessories and wardrobe staples for all occasions, when to splurge and save on handbags and heels, how to decorate, entertain, and travel in style. From award shows to advertising campaigns, Zoe is the go-to force among A-list actresses, fashion houses, beauty firms, and magazine editors. Now she offers full access to the style secrets that skyrocketed her famous clients to the top of best-dressed lists worldwide. With the help of some of fashion's biggest names—including Michael Kors, Donatella Versace, and Diane von Furstenberg-Zoe shares her invaluable insights on: Mastering red carpet moments in your own life Developing a style for work or play that's unstudied and glamorous Personalizing your own modern look by referencing your favorite style icons and vintage clothes The importance of the "wow" piece-and how to choose one right for you Throwing a chic dinner party and creating a luxuriously cozy living space Packing and traveling like a jet-setter Enjoying every day, living it up in style.

Who knew a trip to the therapist could be so much fun, even aesthetically rewarding? Beyond sharing feelings or complaining about your mother, Psychobook reveals the rich history of psychological testing in a fascinating sideways look at classic testing methods, from word-association games to inkblots to personality tests. Psychobook includes never-before-seen content from long-hidden archives, as well as reimagined tests from contemporary artists and writers, to try out yourself, at home or at parties. A great ebook for the therapist in your life and the therapist in you, for anyone interested in the history of psychology and psychological paraphernalia, or for anyone who enjoys games and quizzes. Psychobook will brighten your day and outlook.

Explore the Cajun traditions of the Walker family, creators of the Slap Ya Mama Cajun Seasoning company. Through family stories, Cajun lore, and some of the most prized recipes in Louisiana, this collection is sure to leave you feeling a little Cajun yourself.

Discover why playing is school readiness with this updated guide. Timely research and new stories highlight how play is vital to the social, physical, cognitive, and spiritual development of children. Learn the seven meaningful experiences we should provide children with every day and why they are so important.

The true story of two mass-casualty incidents that occurred within days of each other at a US Air Force base. Using the words of the people who experienced the tragedies, the book provides in-depth look at the before, during and after of a preventable active-shooter incident and an avoidable fatal plane crash. The base psychiatrist knew the airman was dangerous. "This is the kind of patient who ... one day ... he's going to come back and kill you." Aircrews knew the rogue pilot was dangerous. "We predicted the worst air-show disaster in history when we found out that he was gonna fly." Written by Andy Brown, the man who ended the killing spree, the result of more than seven years of research. Brown "masterfully weaves" the two stories together in a powerful narrative. He also reveals the preparations he made that enabled him to end a pistol-versus-rifle gunfight with a 70 yard shot from his handgun. Part true crime, part law-enforcement biography memoir and part military history, Warnings Unheeded is presented in an objective style that shows what can happen when authorities become complacent, when the precursors of violence are ignored and the lessons from history are forgotten.
