Touch of Death Review on K-Books "I want to help you, Jodi, but you have to let me." WOW! I don't even know where to start with this review. This book is just so incredible and it surpassed all of my expectations. When I first heard about Touch of Death I instantly wanted to read it. I haven't really read many books about Necromancers and let's ...

~~Touch of Death (Touch of Death, #1) by Kelly Hashway~~

Touch of Death is a very strong start to what I truly believe will turn out to be a phenomenal series. I absolutely adore mythology and zombies but I never imagined the two of them being brought together but Kelly fuses them together perfectly and has created an incredibly addictive and unique storyline.

The touch of death refers to any martial arts technique reputed to kill using seemingly less than lethal force targeted at specific areas of the body. The concept known as dim mak, alternatively di n xu é traces its history to traditional Chinese medicine acupuncture. Tales of its use are often found in the Wuxia genre of Chinese martial arts fiction. Dim mak is depicted as a secret body of knowledge with techniques that attack pressure points and meridians, said to incapacitate or sometimes ...

~~Touch of Death~~

Jodi Marshall isn't sure how she went from normal teenager to walking disaster. One minute she's in her junior year of high school, spending time with her amazing boyfriend-to-be and her best friend. The next she's being stalked by some guy no one seems to know.After the stranger, Alex, reveals himself, Jodi learns he's not a normal teenager and neither is she. With a kiss that kills and a touch that brings the dead back to life, Jodi discovers she's part of a branch of necromancers born under the 13th sign of the zodiac, Ophiuchus. A branch of necromancers that are descendants of Medusa. A branch of necromancers with poisoned blood writhing in their veins.Jodi's deadly to the living and even more deadly to the deceased. She has to leave her old, normal life behind before she hurts the people she loves. As if that isn't difficult enough, Jodi discovers she's the chosen one who has to save the rest of her kind from perishing at the hands of Hades. If she can't figure out how to control her power, history will repeat itself, and her race will become extinct.

Jodi knows that any slip-ups made by the Ophi-a special group of necromancers born under the 13th sign of the zodiac-will fall on her shoulders... and that Hades is just waiting for them to screw up so he can wipe out the Ophi line. Unfortunately, Jodi has only convinced one Ophi to join her school: A hot guy named Chase who jeopardizes her relationship with Alex. Jodi loves Alex, but Chase can enhance her powers with just a touch-making her stronger than any Ophi has ever been. Her mixed emotions send her powers surging out of control, and the dead start rising without her conscious summoning-exactly what Hades doesn't want! If she chooses Alex over Chase, she may lose the battle to Hades, leading the Ophi race to extinction. If she chooses Chase, she might be able to stop Hades for good... but lose everything else. Jodi needs to figure things out fast-because death is stalking her at every turn.

The martial arts world is rife with tales of ancient masters who could cause instant or delayed death or illness by attacking secret points on the human body. But to the Western mind, the concept of striking acupuncture points to disrupt the internal energy, or chi, seems like hocus-pocus. Thus, many serious martial artists dismiss the ancient art of dim-mak (also known as kyusho jitsu), which is literally translated as "death touch," as nothing more than fiction. However, if one can accept the idea that a dim-mak point is an avenue for attacking the nervous system, then it becomes easier to understand how striking specific points or groups of points can devastate the organs and the cardiovascular system. In this book, Dr. Michael Kelly, an osteopathic physician and experienced dim-mak practitioner, explains dim-mak's effects based on medical science. In layman's terms, Dr. Kelly reveals the physiological basis for what is clearly a very real and dangerous method of fighting. In the process of unraveling the mystery of this legendary art, Dr. Kelly makes the true genius of its founders brutally, and painfully, apparent.

Having fallen at the hands of Hades, Jodi's enduring torture like she never imagined. Worse, she has to watch her Ophi friends suffer along with her-the punishment doled out by the very people she'd sentenced to life in Tartarus. Hell. This is one reunion Jodi hoped would never happen, but now she must find a way to free them all. Except the underworld is nearly impossible to escape. Jodi's one chance may rest in raising the human soul she killed when she drank Medusa's blood. But splitting her human soul from her Ophi soul means living a double life: One as an Ophi experiencing unspeakable torture and the other as the human she could have been if she never came into her powers. With her two worlds colliding, Jodi will have to make the toughest decision she's faced yet.

They ' ll never see her coming. . . . When Evangeline Stone wakes up naked and bruised on a cold slab at the morgue—in a stranger ' s body, with no memory of who she is and how she got there—her troubles are only just beginning. Before that night she and the two other members of her Triad were the city ' s star bounty hunters, mercilessly cleansing the city of the murderous creatures living in the shadows, from vampires to shape-shifters to trolls. Then something terrible happened that not only cost all three of them their lives but also convinced the city ' s other Hunters that Evy was a traitor—and she can ' t even remember what it was. Now she ' s a fugitive, piecing together her memory, trying to deal some serious justice—and discovering that she has only three days to solve her own murder before the reincarnation spell wears off. Because in three days Evy will die again—but this time there ' s no second chance. . . .

Megan ?Meggie? Foy has had a tough life. Living with her mother and step-father is a complete nightmare. They seem to have the perfect little family, but appearances can be deceiving. When her body and mind can take no more abuse at the hands of her step-father, Meggie finally decides to run, hoping her father, MC President of the Death Dwellers?, Christopher ?Outlaw? Caldwell deals in a world of violence, sex, drugs, and crudity. As current president of the Death Dwellers' MC, he presides over a club in chaos after the death of their longtime president and his mentor, Joseph ""Boss"" Foy. Outlaw is trying to keep everything with the club in his control. What happens when more trouble arises in the form of a blonde haired, 18 year old, beauty with the same eyes as his former mentor? Meggie discovers her daddy is gone and now there may be no one to save her and her mother. Alliances are made, loyalties tested, lives are lost, but will love conquer all in the world of bikers and revenge?

Elise, a mortal girl who feels the death of anyone she touches, and Claire, the vampire assigned to recruit her to the Veil, must work together to stop a paranormal killer even as they realize they might be falling in love.

In this intoxicating new cozy mystery series, the future for modern-day moonshiner Hattie Hayes looks bright—until death darkens the doorstep of her Moonshine Shack. The Hayes family has made moonshine in Chattanooga since the days of Prohibition, and Hattie is happy to continue the tradition, serving up fun, fruity flavors in mason jars for locals and tourists alike. All signs indicate her new 'shine shop will be a smashing success. What's more, mounted police officer Marlon Landers has taken a shine to Hattie. For the first time ever, the stars seemed to have aligned in both her work and romantic life. But when a body ends up on her store's doorstep alongside a broken jar of her Firefly Moonshine, it just might be lights out for her fledgling business. The homicide detective can't seem to identify the person who killed the owner of a nearby bar. The only witness is Hattie's longhaired gray cat, and Smoky isn't talking. When the detective learns that the victim and Hattie had a heated exchange shortly before his murder, she becomes her prime suspect. Lest Hattie end up behind bars like her bootlegging great-grandfather a century before, she must distill the evidence herself and serve the killer a swift shot of justice.

When the quiet Little Vestry of St. Matthew's Church becomes the blood-soaked scene of a double murder, Scotland Yard Commander Adam Dalgliesh faces an intriguing conundrum: How did an upper-crust Minister come to lie, slit throat to slit throat, next to a neighborhood derelict of the lowest order? Challenged with the investigation of a crime that appears to have endless motives, Dalgliesh explores the sinister web spun around a half-burnt diary and a violet-eyed widow who is pregnant and full of malice--all the while hoping to fill the gap of logic that joined these two disparate men in bright red death. . . .

From bestselling author Scarlett St. Clair comes a dark and enthralling reimagining of the Hades and Persephone Greek myth. "Let me worship you," he said. She remembered the words she had whispered to him in the back of the limo after La Rose. "You will worship me, and I won't even have to order you." His request felt sinful and devious, and she reveled in it. She answered, "Yes." Persephone is the Goddess of Spring in title only. Since she was a little girl, flowers have only shriveled at her touch. After moving to New Athens, she hoped to lead an unassuming life disguised as a mortal journalist. All of that changes when she sits down in a forbidden nightclub to play a hand of cards with a hypnotic and mysterious stranger. Hades, God of the Dead, has built a gambling empire in the mortal world and his favorite bets are rumored to be impossible. But nothing has ever intrigued him as much as the goddess offering him a bargain he can't resist. After her encounter with Hades, Persephone finds herself in a contract with the God of the Dead, and his terms are impossible: Persephone must create life in the Underworld or lose her freedom forever. The bet does more than expose Persephone's failure as a goddess, however. As she struggles to sow the seeds of her freedom, love for the God of the Dead grows—a love that is both captivating and forbidden.
