A pioneering vehicle in many ways, the Toyota Highlander was one of the first midsize crossover SUVs to be sold in America when it debuted in 2001. With its car-based unibody design, the original Highlander provided many benefits over Toyota's more traditional SUVs, including better handling, higher fuel ...

In most cases, Toyota recommends that Toyota owners schedule a service appointment every six months or 5000 miles, whichever comes first. The maintenance performed during each service appointment varies by vehicle model and year, driving conditions and other factors that our trained technicians evaluate. However, recommended maintenance often includes services such as tire rotation, oil change ...
