Transitions In The Early Years
Transitions are an inevitable part in every child's journey. Many

Online Library Transitions In The Early Years Working With Children And Families

papers, articles and books have been written on the subject, some of which we share here. Start from the child. Early Education supports a child-centred approach which meets the needs of every child.

Transition: The Journey.

Children ' s lives today are so much more hectic than ever before.

Going to a setting for the first time, moving to another one, starting school or moving into a new class are seen by many

Online Library Transitions
In The Early Years Working

people as a normal part of the lives
of children. Yet transitions are
milestone events for children and
have a definite effect on their
development.

Transitions - Early Years Matters

Page 14/42

Online Library Transitions In The Early Years Working With Children And Families

Transitions in early years can be daunting for even the most confident of children. In a new setting or new classroom, there will often be a range of previous experiences: some children may have been at home with parents,

Different Types of Transitions in Child Development

It seems ironic then, that there is potential for more transitions as children move through the Early Years Foundation Stage (EYFS) than in any other stage of the education system. A child may
