Tsukiji - Wikipedia

The world's largest, busiest fish market has long been a favorite destination for jet-lagged tourists with predawn hours to fill. But the main reason for going at 5 a.m. is to catch the live tuna...

Publisher Description

Located only blocks from Tokyo's glittering Ginza, Tsukiji—the world's largest marketplace for seafood—is a prominent landmark, well known but little understood by most Tokyoites: a supplier for countless fishmongers and sushi chefs, and a popular and fascinating destination for foreign tourists. Early every morning, the worlds of hi-tech and pre-tech trade noisily converge as tens of thousands of tons of seafood from every ocean of the world quickly change hands in Tsukiji's auctions and in the marketplace's hundreds of tiny stalls. In this absorbing firsthand study, Theodore C. Bestor—who has spent a dozen years doing fieldwork at fish markets and fishing ports in Japan, North America, Korea, and Europe—explains the complex social institutions that organize Tsukiji's auctions and the supply lines leading to and from them and illuminates trends of Japan's economic growth, changes in distribution and consumption, and the increasing globalization of the seafood trade. As he brings to life the sights and sounds of the marketplace, he reveals Tsukiji's rich internal culture, its place in Japanese cuisine, and the mercantile traditions that have shaped the marketplace since the early seventeenth century.

Annotation A vivid and fascinating ethnography of the world's largest marketplace for fresh and frozen seafood, Tokyo's gigantic Tsukiji market, where \$6 billion worth of fish trades hands each year.

Japanese cuisine.

The highly acclaimed exploration of sushi 's surprising history, global business, and international allure One generation ago, sushi 's narrow reach ensured that sports fishermen who caught tuna in most of parts of the world sold the meat for pennies as cat food. Today, the fatty cuts of tuna known as toro are among the planet 's most coveted luxury foods, worth hundreds of dollars a pound and capable of losing value more quickly than any other product on earth. So how did one of the world 's most popular foods go from being practically unknown in the United States to being served in towns all across America, and in such a short span of time? A riveting combination of culinary biography, behind-the-scenes restaurant detail, and a unique exploration of globalization 's dynamics, the book traces sushi 's journey from Japanese street snack to global delicacy. After traversing the pages of *The Sushi Economy*, you 'll never see the food on your plate—or the world around you—quite the same way again.

Tsukiji was one of the world's most dynamic fish markets. Beall captures that dynamism in photographs chronicling Tsukiji's final years.

Offbeat Tsukiji Market Guide provides an intimate look into the world's largest wholesale fish and seafood market, located in the heart of Tokyo. Drawing from twelve years of experience in the Japanese fish business, author Ken Chan offers unique guided tours to foreign visitors, and his passion for sharing the secrets of this fascinating cultural treasure shines from every page. Discover a world that, much like kabuki theater, involves intricate, dramatized dances-between buyers and sellers; wholesalers, middlemen, and retailers; and businesspeople, tourists, and security guards. The book's offbeat tone is sardonic toward the politicians and the security regime, while conveying friendship and respect toward the more sincere players on this vast stage. Learn both entertaining and informative details about Tsukiji Market, such as: Its four-hundred-year history Various ways to get to there How to get off the market's beaten tourist path What to do when a security guard approaches English names of the many types of fish and seafood Which sushi restaurants are the best The controversial plan to relocate the market An invaluable resource for anyone planning to visit the Tsukiji fish market, Offbeat Tsukiji Market Guide also delivers an intriguing read for foodies as well as for anyone interested in food markets or Japanese culture.

Learn to make sushi at home with lessons from the masters. Nick Sakagami, the only person outside of Japan to earn the designation osakana meister, introduces the fundamentals of sushi, starting with the fish. Photography from Tokyo's Tsukiji fish market offers an inside look at where most of our tuna comes from, and a deep dive into the tools, techniques, and etiquette of sushi ensure you'll never look at a California roll the same way again. Expert recipes from Sakagami's favorite international sushi chefs and clients include variations of: Maki Sashimi Nigiri Onigiri (rice balls) Sushi Master also includes recipes for traditional Japanese soups, including two different types of miso, plus appetizers like tsukemono (Japanese pickles), shishito pepper, and spicy scallop carpaccio. Once you've mastered the staples, you can move on to advanced techniques, such as searing, marinating, aging, and adding garnishes. This comprehensive guide also includes tips on sourcing your ingredients and best practices for sustainability. Sushi Master is your definitive guide to mastering the art of sushi.
