The pedagogy and approach are based on over 20 years of teaching and reflect the results of physics education research. Already one of the best-selling textbooks in algebra-based physics, The Fourth Edition strengthens both the conceptual foundations and the tools for problem solving to make the book even better suited to today's students.

Walker, Physics, 4th Edition | Pearson

We had reading quizzes, so I read every chapter that corresponded to the course (chapters 16-30) and thus have much familiarity with the textbook. Walker generally presented clear, in-depth explanations for non-physics majors and provided a variety of worked example problems throughout each chapter.
