Aim High will help your students succeed as language learners in the classroom, with their homework and also in exams. How will it do this? It builds students vocabulary knowledge through a structured and progressive approach. What does this mean? There are over 50 active vocabulary items in each unit, including words from the Oxford 3000™. Students learn the meaning of new words but they also learn how and when to use them for themselves. And these are not just useful, everyday words. They're also introduced to expressions, idioms, phrasal verbs, and so on. Essential language for communicating well in English. As a teacher you'll want to help your students become autonomous learners. In Aim High there are lots of opportunities to

prepare for this. In the Student's Book there's a 'Dictionary Corner', with exercises to help them towards learner autonomy. There's also a Literacy Corner to extend their vocabulary, focusing on selected readers of the right level. With the self-check and review boxes they can see how they're progressing for themselves. A Grammar Reference and Grammar Builder bring together all the grammar and vocabulary for the unit. These allow students to look back over grammar points and review what they have learned.

face2face Second edition is the flexible, easy-to-teach, 6-level course (A1 to C1) for busy teachers who want to get their adult and young adult learners to communicate with confidence. The face2face Second edition Intermediate Teacher's Book with DVD offers detailed teaching notes for every lesson, keys to exercises, and extra teaching notes. It also guides teachers through the Student's Book DVD-ROM and relates face2face to CEF levels and English Profile. Additionally, busy teachers will find here progress tests, photocopiable communicative activities and extra reading worksheets. The free DVD in the Teacher's Book offers classroom videos integrated with the Real World sections in the Student's Book as well as the entire content of the Teacher's Book.

The Teacher's Book is accompanied by a DVD-ROM with tests in both PDF and editable Word format, along with a series of teacher training videos. There is also additional photocopiable material in the Teacher's Book, with a focus on material for the Speaking test.

This revision of Bloom's taxonomy is designed to help teachers understand and implement standards-based curriculums. Cognitive psychologists, curriculum specialists, teacher educators, and researchers have developed a two-dimensional framework, focusing on knowledge and cognitive processes. In combination, these two define what students are expected to learn in school. It explores curriculums from three unique perspectives-cognitive psychologists (learning emphasis), curriculum specialists and teacher educators (C & I emphasis), and measurement and assessment experts (assessment emphasis). This revisited framework allows you to connect learning in all areas of curriculum. Educators, or others interested in educational psychology or educational methods for grades K-12.

Challenge and inspire your teenage learners to think beyond language. American Think is a vibrant course designed to engage teenage learners and make them think. As well as building students' language skills, it offers a holistic approach to learning: developing their thinking skills, encouraging them to reflect on values and building self-confidence. Topics are chosen to appeal to and challenge teenagers, firing their imagination and ensuring effective learning. The interleaved Teacher's Edition offers full support including teacher's notes, audio scripts, answer keys, suggestions for extra activities and mixed ability classes as well as tips on how to get the best out of the digital components.
