language. You'll learn how to record, create, customize, debug, and share macros.

~~Word 2007 Macros & VBA Made Easy (Made Easy Series ...~~

The easiest way to create a macro in Word 2007 is to use the macro recorder. After you turn on the macro recorder, it makes a precise record of everything you do in Word until you turn off the recorder. After you turn off the recorder, you can replay the recorded macro to repeat the exact sequence of steps that Word recorded in the macro.
