To most people, self-worth only comes after a feat has been achieved or when in competition with another person. This is the theory: that a person's life goal is self-recognition and that this recognition is a product of their accomplishments. This theory also holds capability, determination, performance, and self-esteem as its model elements.

From the founder and superstar CEO of DailyWorth.com, the go-to financial site for women with more than one million subscribers, comes a fresh book that shows women how to view money as a source of personal power and freedom—and live life on their own terms. Millions of women want to create financial stability and abundance in their lives, but they don't know how. They are stuck in overwhelming confusion and guilt, driven by internalized “money stories” that have nothing to do with what is really possible. As the founder of DailyWorth.com, a financial media and education platform, Amanda Steinberg encounters these smart, ambitious women every day. With this book, she helps them face their financial situations head on and wake up to the prosperity that awaits them. Worth It outlines the essential financial information women need—and everything the institutions and advisors don't spell out. Steinberg gets to the bottom of why women are stressed and anxious when it comes to their

finances and teaches them to stay away from strict budgeting and other harsh austerity practices. Instead, she makes money relatable, while sharing strategies she uses herself to build confidence and ease in her own financial life. Through her first-hand experiences and the stories from other women who've woken up, Steinberg's powerful and encouraging advice can help women of any age and income view money as a source of freedom and independence—and create bright financial futures.

The founder of the DailyWorth.com financial site explains how women can reevaluate money as a source of personal power in order to live life on their own terms, explaining how to implement strategies for security, confidence, and management.

In the spring of 2010, Harvard Business School's graduating class asked HBS professor Clay Christensen to address them—but not on how to apply his principles and thinking to their post-HBS careers. The students wanted to know how to apply his wisdom to their personal lives. He shared with them a set of guidelines that have helped him find meaning in his own life, which led to this now-classic article. Although Christensen's thinking is rooted in his deep religious faith, these are strategies anyone can use. Since 1922, Harvard

We are born to live a free and happy life. But we have been brought up with many misbeliefs that limit us from living a life worth living. People live a mediocre life by doing what they don't enjoy just for the sake of money since we live on a 'Financial Planet'. People think, "This is it. My life path is set." They feel they cannot come out of it and so they must keep living the same way. This book tries to help them understand ways with which they too can design a life that will be worth living. *Your Life Your Way* describes how anyone, at any level of their career, can build a career based on

their passion and also can create abundance following 5 secret principles of wealth creation. Thus, this book explains how you can design 'Your Life, Your Way'.

The youngest living Medal of Honor recipient delivers an unforgettable memoir that "will inspire every reader" (Jim Mattis) NATIONAL BESTSELLER: A USA Today, Washington Post, and Publishers Weekly bestseller On November 21, 2010, U.S. Marine Lance Corporal Kyle Carpenter was posted atop a building in violent Helmand Province, Afghanistan, when an enemy grenade skittered toward Kyle and fellow Marine Nick Eufrazio. Without hesitation, Kyle chose a path of selfless heroism that few can imagine. He jumped on the grenade, saving Nick but sacrificing himself. One of the year's most anticipated books, Kyle's remarkable memoir reveals a central truth that will inspire every reader: Life is worth everything we've got. It is the story of how one man became a so-called hero who willingly laid down his life for his brother-in-arms—and equally, it is a story of rebirth, of how Kyle battled back from the gravest challenge to forge a life of joyful purpose. Kyle Carpenter's heart flatlined three times while being evacuated off the battlefield in Afghanistan. Yet his spirit was unbroken. Severely wounded from head to toe, Kyle lost his right eye as well as most of his jaw. It would take dozens

of surgeries and almost three years in and out of the hospital to reconstruct his body. From there, he began the process of rebuilding his life. What he has accomplished in the last nine years is extraordinary: he's come back a stronger, better, wiser person. In 2014, Kyle was awarded the nation's highest military decoration, the Medal of Honor, for his "singular act of courage" on that rooftop in Afghanistan, an action which had been reviewed exhaustively by the military. Kyle became the youngest living recipient of the award—and only the second living Marine so honored since Vietnam. You Are Worth It is a memoir about the war in Afghanistan and Kyle's heroics, and it is also a manual for living. Organized around the credos that have guided Kyle's life (from "Don't Hide Your Scars" to "Call Your Mom"), the book encourages us to become our best selves in the time we've been given on earth. Above all, it's about finding purpose, regardless of the hurdles that may block our way. Moving and unforgettable, You Are Worth It is an astonishing memoir from one of our most extraordinary young leaders.

Brit Barron grew up in an Evangelical megachurch in the '90s, trying to fit neatly inside the boundaries her church and its narrow view of God had placed around her. She was boxed in by her fears, unable to realize her full potential. All that changed when she met a girl

named Sami, fell in love, and chose to leave behind those narrow boundaries in favor of a fuller and more vibrant life. In *Worth It*, Brit tells her story to inspire all of us to overcome our own fears--the kinds of fears that keep us from evolving beyond the narratives that have been handed to us by others. We can't avoid or outrun these fears, but if we face them, we'll find out that it was so worth it!
