This one's a little bit of a cheat since Plotto isn't really an app but a book from 1928. In it, William Wallace Cook purports to have put together a system of all possible plots--a whopping 1462 of them. You can get a beautiful new hardcover edition of Plotto from Tin House, but for your iPad, I recommend this \$2.99 crosslinked ebook. The Plotto method involves a lot of flipping back and forth to combine scenes and conflicts into storylines, all cross-referenced by number codes, and thanks
