Edugain Australia

In preparation for KS2
and KS3 SATs tests,

Download Free Year 8

many schools use optional SATs papers to test children in Years 3,4,5,7 and 8 in English (Reading and Writing) and Maths. Although KS3 tests have been scrapped many schools still use these progress tests or end of year exams.

Optional SATs Papers
Optional SATs papers

Download Free Year 8

were first created in 2003 alongside KS1, KS2 and KS3 SATs papers.

Optional SATs were designed to help teachers give children a relevant "SATs-like" assessment.

They are available for Year 3, Year 4, Year 5, Year 7 and Year 8. Whilst not published for a number of years, Optional SATs are still a helpful and useful tool.
