i was missing you is a compilation of raw emotions and experiences, following the loss of a great love. This novel uses poetry and prose to take the reader through the process of hurting, healing, and learning the importance of how to love.

Zane's Trace was a trail blazed by Ebenezer Zane across Ohio from Wheeling, West Virginia to Maysville, Kentucky.

In Dan Zanes' House Party!, the Grammy Award-winning children's artist presents a huge collection of folk songs along with inspiration to start your own family band. Too often, new parents eager to share their love of music with their young children feel their options are limited to cuddly singing dinosaurs and well-meaning humans whose understanding of children’s music starts with “Kumbaya” and ends with “Puff the Magic Dragon.” For many sane adults, these choices are more abrasive than the most aggro noise-rock of their college years. Dan Zanes has spent the past 20 years creating a truly compelling body of children's music that music-loving parents can also get behind. A former 1980s indie rocker, Zanes' 13 children's albums have gained wide praise for their authentic arrangements and preservation of America's folk traditions. In Dan Zanes' House Party!, the Grammy Award–winning Zanes has curated a rich selection of folk songs that comprise an essential musical cross-section of the American experience and its multicultural, immigrant underpinnings. The selections include the standard songs we all know and love, along with folk classics. Each song is accompanied by a brief narrative on its historical context, followed by lyrics, notation, and chords. Among the songs you'll learn to play: "Erie Canal," "Pay Me My Money Down," "Titanic," "Waltzing Matilda," "The Farmer Is the One," "Wabash Cannonball," "Sloop John B.," "Old Joe Clark," "Skip to My Lou," "King Kong Kitchie," and "We Shall Not Be Moved." Dan Zanes' House Party! also includes informational sidebars throughout to give families the basics needed to pick up instruments and learn to more fully enjoy music as a family band. And in the back of the book, you'll find chord charts for guitar, ukele, and mandolin. More than just a collection of songs, Dan Zanes’ House Party! is part music book, part history lesson, and a work that all families can enjoy—together.

Celebrate Greys career, and one of the Wests most prolific writers, with thiscomprehensive anthology featuring "Betty Zane, The Spirit of the Border," and"The Last Trail."

The new CEO and the owner of Hawkins Media Group, Zane Hawkins is officially dating to marry. After two years of on-again-off-again romance with the actress Penelope Davis, Zane is now ready to settle down. Multiple sources confirm that it’s the recent death of his father causing him to re-think his bachelor lifestyle and consider starting a family of his own. Who will be the lucky bride to tie down California’s most eligible bachelor? A wildly famous Hollywood actress? An activist and visionary lawyer? A humble and media-shy nurse? If the persisting rumors are true, there’s a secret list of the most suitable candidates drawn up singlehandedly by Zane’s very capable assistant, Julie Connor. Even so, Zane has never been one to follow rules and directions. Whoever is going to be the lucky winner, she deserves special kudos, as the road to Zane’s heart is known to go through several hoops and hurdles. ***ZANE is a spinoff of the Pleasure Extraordinaire series and follows Zane Hawkins’ sometimes humorous, other times heartbreaking, but always passionate encounters with women until he finds the one.*** Zane: Part 2 is scheduled to be published in June 2015.

Believing that he is responsible for his grandfather's death, Zane Guesswind takes off on a manic trip to his mother's grave where he plans to kill himself until he meets a strange cast of mystical characters who forever change his life.

Newbery Honor author Rodman Philbrick presents a gripping yet poignant novel about a 12-year-old boy and his dog who become trapped in New Orleans during the horrors of Hurricane Katrina. Zane Dupree is a charismatic 12-year-old boy of mixed race visiting a relative in New Orleans when Hurricane Katrina hits. Unexpectedly separated from all family, Zane and his dog experience the terror of Katrina's wind, rain, and horrific flooding. Facing death, they are rescued from an attic air vent by a kind, elderly musician and a scrappy young girl--both African American. The chaos that ensues as storm water drowns the city, shelter and food vanish, and police contribute to a dangerous, frightening atmosphere, creates a page-turning tale that completely engrosses the reader. Based on the facts of the worst hurricane disaster in U.S. history, Philbrick includes the lawlessness and lack of government support during the disaster as well as the generosity and courage of those who risked their lives and safety to help others. Here is an unforgettable novel of heroism in the face of truly challenging circumstances.

The New York Times Bestseller *One of Rolling Stone's 10 Best Music Books of 2015* An exhilarating and intimate account of the life of music legend Tom Petty, by an accomplished writer and musician who toured with Petty No one other than Warren Zanes, rocker and writer and friend, could author a book about Tom Petty that is as honest and evocative of Petty's music and the remarkable rock and roll history he and his band helped to write. Born in Gainesville, Florida, with more than a little hillbilly in his blood, Tom Petty was a Southern shit kicker, a kid without a whole lot of promise. Rock and roll made it otherwise. From meeting Elvis, to seeing the Beatles on Ed Sullivan, to producing Del Shannon, backing Bob Dylan, putting together a band with George Harrison, Dylan, Roy Orbison, and Jeff Lynne, making records with Johnny Cash, and sending well more than a dozen of his own celebrated recordings high onto the charts, Tom Petty's story has all the drama of a rock and roll epic. Now in his mid-sixties, still making records and still touring, Petty, known for his reclusive style, has shared with Warren Zanes his insights and arguments, his regrets and lasting ambitions, and the details of his life on and off the stage. This is a book for those who know and love the songs, from "American Girl" and "Refugee" to "Free Fallin'" and "Mary Jane's Last Dance," and for those who want to see the classic rock and roll era embodied in one man's remarkable story. Dark and mysterious, Petty manages to come back, again and again, showing us what the music can do and where it can take us.
